Speak this over  
your *heart*

Her Future is **ALIVE**, more than she could dream.  
With God on her side, you've not seen anything.  
Through celebrations and struggles she has persevered through it all  
She is all in for GOD'S GLORY or nothing at all.

Her Future is **SECURE**, as her story unfolds.  
...Her journey is bright, her destiny's pure gold...  
she refuses to allow shame to come and steal  
Because she's always making room for her Savior to step in and heal.  
He takes the broken pieces and makes them brand new.  
Trusting God for what only His grace can fully do.

Her Future is **SURROUNDED**, she chooses healthy community.  
Friends of her future are not a scarcity.  
Pride and selfishness are a thing of the past  
Because God's great love has made a forever impact.  
Her World only gets better as she loves and puts others first  
She lives out the gospel and tells of His great works

Her Future is **FULFILLED** with purpose that will last through eternity.  
Average is not her A-game, as she leads herself with integrity.  
She is not afraid of her gifts and talents and stewards them well.  
Knowing her purpose is unique and she has a story to tell.  
Her testimony helps set others free  
As she shares the redemption of CHRIST WITHIN ME.

Her Future is **FREE**, because her God made a way.  
Done with religion she is in pursuit of Him everyday.  
The life she is building is bringing heaven to earth.  
She threw away the lies and now she walks in her worth.

Alive, Secure, Surrounded, Fulfilled and Free  
HER FUTURE IS WILDER THAN HER WILDEST DREAMS.
